Grace 12.11.11 * Each human life is a gift from God Each person He are of all has equal worth & value. We Plynities, backgrounds & J We stand together with Stand in solidarity against any all over the world relationships practices or structures The are called which deny or undermine this belief. one another 2 to A * The resources of the Earth COMMUNITY SERVING KEL one Gods gifts to us, for which we are called to take responsibility & show care Dhe are called to live simply identify with the poor I know that our possessions & wealth are gifts from God, to be shared For the common another world is possible 20

Grace [2.11.1]

Whiches, backgrounds & dispabilities. We stand together with Christians all over the world.

DWe are called to love one another & to be a healing Community seeking the wholeness & liberation of all people

She want to minimise the separation between those leading and the congregation through interactional opportunities to contribute.

* We ofter hospitality to all.

& We engage with everyday life f connect with culture

To push it's own edges take risks not be affected to fail, think outride the Grace box, to new things reminent
